Pinellas County Engineering and Environmental
Services Water and Naigation
Brian Johns, Environmental Specialist
22211 US 19, Bldg 10
Clearwater, FL 33765

Mr. Johns,

I would like to convey, that Shephard's Beach Resort has always and continues to recongnize the City of Clearwater's 50' easement. The public has complete access to the beach via land or by watercraft. We are looking forward to the completion of this project, so everyone can enjoy it for years to come.

I thank, you for your attention in the matter.

Sincerley,

Paul Andrews
General Manager
